Wheeldon, Mr. Adam Matthew	Administrative and Clerical	Senior Manager	Acting Director Finance [N]	Financial interests	Shareholdings and other ownership	I have a share portfolio which could sometime include organisations that the Trust may deal with although this is not currently the case. My shareholding will never be significant enough to have any influence in the organisations and, even though I authorise spend to various organisations, I do not influence the use of those organisations. That is undertaken by services and through Procurement.		04/02/2021
Wheeldon, Mr. Adam Matthew	Administrative and Clerical	Senior Manager	Acting Director Finance [N]	Non-financial personal interests	Loyalty interests	I am engaged to Leonie Glinksi who is a Senior Biomedical Scientist in the Trust. Leonie does not have budget holder responsibilities and any dealings I do have from a financial perspective are declared at the given meeting (such as when she presented a business case recently).		04/02/2021

Whinney, Dr David John Dickens	Medical and Dental	Consultant	Consultant [CA]	I have no interests to declare		Many years ago I signed up to "Circle" as a partner but nothing further came from this an I consider any relationship has now lapsed. I certainly have no interest in taking up any partnership with them in future. I used to run a private practice but closed that in 2019. I carry out teaching work for University of Exeter Medical School and am employed to do this work under my RCHT Job Plan and contract; I am not paid separately for that work.		01/02/2021
