Royal Cornwall Hospitals
NHS Trust

Inpatient pre MRI scan safety form
- Trustwide use

To be completed by ward staff

The following questionnaire **must be completed for all inpatients**, immediately prior to MRI scans. Failure to complete this checklist will result in the scan having to be postponed.

The following items MUST be removed from the patient as they may be hazardous or interfere with MRI examinations.

Item / device check	Please tick
Jewellery / piercings	
Drug infusion pumps	
Medicine patches	
Traction / orthopaedic devices	
Monitoring devices	
ECG tabs	
Vacuum dressings	
Silver dressing	
Skin staples	
Prosthetic limb	
Bra / specialist undergarment	
Metal impregnated clothing	
Other device / metal object	

- The patient has changed into a standard tie hospital gown
- The patient has been transferred onto a new bedsheet
- All personal and medical items ie. Phones / glasses / monitoring equipment etc have been cleared from the bed.

Contact the MRI team immediately if removal is not possible. Ext 2456 or 2907.
