

# Do You Have a Spinal Cord Injury (SCI)? Are You Looking After Someone with an SCI?

## Spinal Cord Injury (SCI) Patient Care Hospital Passport

Completion of the SCI Patient Care Hospital Passport is a great way of informing our staff of your needs which will have a positive impact on your care.

## Patient Flag

Let us know you have an SCI and we'll give you an electronic flag.

This will alert us should you come into hospital, where we can ensure any reasonable adjustments are made for your care.

## Safeguarding Services
