

Freedom of Information Act 2000

The Royal Cornwall Hospitals NHS Trust Response to Information request

Date Request Received: 12/03/2024

FOI Ref No: 23932

Requested Information:

Does the Theatre department use the Ingenica stock management system?

- If yes, what have been the financial savings since implementation for the Theatre department?

Does the Theatre department use a scanning device in the storeroom to allocate equipment to staff?

Does the Theatre department employ a dedicated stores person?

Response:

Does the Theatre department use the Ingenica stock management system?

Yes, the theatre department use the Ingenica scan for safety inventory management system. The Ingenica system manages all aspects of stock control and ordering including scanning medical consumables at point of care to the patient.

- If yes, what have been the financial savings since implementation for the Theatre department?

Not Known at this time.

Does the Theatre department employ a dedicated stores person?

No, this is managed within the inventory management team that manages the inventory scan for safety system and medical consumables for this area.

Attachment(s):

None.
