

Freedom of Information Act 2000

The Royal Cornwall Hospitals NHS Trust Response to Information request

Date Request Received: 08/06/2024

FOI Ref No: 24993

Requested Information

A. How many patients have been treated with the following drugs in the past 4 months:

- Atogepant (Aquipta) – any disease
- Erenumab (Aimovig) - any disease
- Eptinezumab (Vyepti) – any disease
- Fremanezumab (Ajovy) - any disease
- Galcanezumab (Emgality) - any disease
- Rimegepant (Vydua) – any disease
- Botulinum Toxin (i.e., Botox, Dysport, Xeomin) - migraine ONLY

B. We are seeking to understand the funding and delivery of Botox and anti-CGRP monoclonal antibody treatments (Ajovy, Aimovig, Emgality, Vyepti, Vydua & Aquipta) for migraine. Could you please answer the following:

- Does the trust commission/fund Botox treatment for migraine (Y/N)?
- Does the trust commission/fund anti-CGRP treatments for migraine (Y/N)?
- Does the trust actively provide Botox/anti-CGRP treatments for migraine as opposed to sending patients to another trust (Y/N)? In case the trust does not provide these treatments, please provide the name of the trust to which you refer migraine patients for these treatments?
- In case the trust actively provides Botox/anti-CGRP treatments for migraine but does not commission/fund them, then please provide the name(s) of the other NHS organisations that commission/fund these treatments at your trust.

Response

A. Royal Cornwall Hospitals Trust have treated the following numbers of patients with the following drugs during March to June 2024:

- Atogepant (Aquipta) – any disease **0**
- Erenumab (Aimovig) - any disease **59**
- Eptinezumab (Vyepti) – any disease **0**
- Fremanezumab (Ajovy) - any disease **23**
- Galcanezumab (Emgality) - any disease **11**
- Rimegepant (Vydua) – any disease **10**
- Botulinum Toxin (i.e., Botox, Dysport, Xeomin) - migraine ONLY (**354 patients for all indications, the data does not allow a distinction of which were for migraine only**)

B. We are seeking to understand the funding and delivery of Botox and anti-CGRP monoclonal antibody treatments (Ajoovy, Aimovig, Emgality, Vyepti, Vydura & Aquipta) for migraine. Could you please answer the following:

- Does the trust commission/fund Botox treatment for migraine (Y/N)? **Yes**
- Does the trust commission/fund anti-CGRP treatments for migraine (Y/N)? **No**
- Does the trust actively provide Botox/anti-CGRP treatments for migraine as opposed to sending patients to another trust (Y/N)? In case the trust does not provide these treatments, please provide the name of the trust to which you refer migraine patients for these treatments? **Yes**
- In case the trust actively provides Botox/anti-CGRP treatments for migraine but does not commission/fund them, then please provide the name(s) of the other NHS organisations that commission/fund these treatments at your trust.
NHS Cornwall and Isles of Scilly Integrated Care Board (ICB)

Attachment(s):

None.
