6) Regarding your query for the price per operating table, the Royal Cornwall Hospital Trust have considered this part of your request and after careful consideration, have concluded that the information requested is exempt from disclosure under Section 43 (2)¹ of the Freedom of Information Act 2000:

¹43. (2) Information is exempt from disclosure under this Act as it would, or would be likely to, prejudice the commercial interests of any person (including the public authority holding it).

Exemption 43 (2) is a qualified exemption and the Royal Cornwall Hospital Trust have fully considered the balance of public interest and are satisfied that the public interest in withholding the information outweighs the public interest in disclosing it. The Trust considers that there is a real likelihood of harm arising to both its own commercial interests (disclosing the cost per operating table in a commercial environment); but also to our supplier's commercial interests (individual item costs are not freely available to all and the level of detail provided e.g. would harm their ability to compete competitively by disclosing their commercial model).
