1. Does the Trust have a chronic pelvic pain clinic?
2. If yes- which specialities are involved?
3. What is the current referral time for patients to access this clinic and how many patients in total are waiting to access this service?
4. How many patients are currently under the care of this clinic?
5. How many appointments per year does this clinic utilise?

Response:

1. Does the Trust have a chronic pelvic pain clinic?
- Yes
2. If yes- which specialities are involved?
- Pain management.
3. What is the current referral time for patients to access this clinic and how many patients in total are waiting to access this service?
- Time for a routine first outpatient appointment is 20 weeks
4. How many patients are currently under the care of this clinic?
- Obtaining this data would require a manual review of the patients on an active RTT pathway and the patients on the follow up pending list. Doing so would exceed the cost limitations. Please see appendix one.
5. How many appointments per year does this clinic utilise?
- Obtaining this data would require a manual review of the patients on an active RTT pathway and the patients on the follow up pending list. Doing so would exceed the cost limitations. Please see appendix one.
