I would like to see all emails, documents, attachments, and any other forms of response relating to this request between Royal Cornwall Hospitals NHS Trust and the two senior NHS officials.

It is public information that you have been asked to inform the NHS when you “envisage adopting already available nationally commissioned local Products”.

I would like to know when specifically you plan to start adopting the FDP and who you are naming as lead (as is requested in the letter)?

I would also like to know what your plans are for how you will maximise the benefits of the Federated Data Platform to deliver better joined-up care for their patients within the next two years (again, asked of you in the above mentioned letter)?

Response:

Please see attached information shared by the Trust’s Chief Information Officer which was submitted by the Trust to the Integrated Care Board (ICB). The Trust does not have sight of the onward email from the ICB to the national team. The requestor may therefore also wish to contact the ICB EPRR team (ciosicb.epr@nhs.net)
