

Freedom of Information Act 2000

The Royal Cornwall Hospitals NHS Trust Response to Information request

Date Request Received: 13th May 2025

FOI Ref No 28818

Requested Information:

1. Adherence to National Guidelines

Does your Trust currently follow any of the following national guidelines for the treatment and management of Overactive Bladder (OAB)? Please indicate “Yes” or “No” for each of the following:

- a) NICE Interventional Procedure Guidance on sacral nerve stimulation for urge incontinence and urgency-frequency (IPG64)
- b) NICE Clinical Guideline on Urinary Incontinence in Women (CG171) YES
- c) NICE Clinical Guideline on Lower Urinary Tract Symptoms in Men (CG97) YES
- d) Any NHS England-issued clinical guidelines related to OAB management YES

2. Locally Adopted Guidelines

For any of the above guidelines that your Trust follows, please provide the title, version number, and date of the current guidance or policy document in use.

3. Local Protocols or Deviations

If your Trust does not follow one or more of the national guidelines listed above, or has developed local clinical pathways or protocols for the management of OAB, please provide a copy of the relevant local policy or a summary of the key differences compared to national guidance.

Response:

- 1.
 - a) we don't perform sacral nerve stimulation at this Trust but we do refer to tertiary centre if required - Bristol Urological Institute (BUI)
 - b) Yes
 - c) Yes
 - d) Yes
- 2. We don't have Trust approved local guidelines as we follow the NICE guidelines.
- 3. N/A
