

Freedom of Information Act 2000

The Royal Cornwall Hospitals NHS Trust Response to Information request

Date Request Received: 20th August 2025

FOI Ref No 29994

Requested Information:

I am writing to you under the Freedom of Information Act to request the following information:

1. The name of your Electronic Patient Record (EPR) system?
 - a. The contract renewal date
 - b. Confirm if the trust is planning to come out to tender for a new system
2. The name of your electronic Prescribing and Medicines Administration (ePMA) system?
 - a. The contract renewal date
 - b. Confirm if the trust is planning to come out to tender for a new system
3. The name of your Medicine Decision Support system? (Could also be known as Medicines Optimisation system)
 - a. The contract renewal date
 - b. Confirm if the trust is planning to come out to tender for a new system
 - c. The name of the person within the trust responsible for decision-making around the use of this system.
4. The name of your Cancer Prescribing system? (Could be known as Systemic Anti-Cancer Therapy Prescribing)
 - a. The contract renewal date
 - b. Confirm if the trust is planning to come out to tender for a new system

Response:

- 1. The name of your Electronic Patient Record (EPR) system?**
 - a. The Trust do not currently have an EPR in use, having pursued a best of breed approach. The majority of functions that would be considered core to an EPR are carried out in the IMS Maxims and Nervecentre systems. The Trust are currently working on the deployment of the Oracle Millenium EPR with an expected go-live date of June 2026.
 - b. Not expected
- 2. The name of your electronic Prescribing and Medicines Administration (ePMA) system?**
 - a. The Trust currently uses the Careflow Medicines Management System, supplied by System C. This is planned to be replaced by the Oracle Millenium EPR with an expected go-live date of June 2026
 - b. Not expected
- 3. The name of your Medicine Decision Support system? (Could also be known as Medicines Optimisation system)**
 - a. The Trust does not have a system of this type.
 - c. Not expected
 - b. This function would be carried out by the Chief Pharmacy information Officer
- 4. The name of your Cancer Prescribing system? (Could be known as Systemic Anti-Cancer Therapy Prescribing)**
 - a. Aria Med Onc. This is planned to be replaced by the Oracle Millenium EPR with an expected go-live date in 2027
 - b. Not expected
