

Freedom of Information Act 2000

The Royal Cornwall Hospitals NHS Trust Response to Information request

Date Request Received: 26th August 2025

FOI Ref No 30054

Requested Information:

1. Is your health trust currently treating myeloma patients
2. Please list the hospitals in your board/trust that are currently treating myeloma patients.
3. Please list how many myeloma patients are being treated by your board/trust. Please break this down by hospital.
4. Is your health trust currently treating myeloma patients with elranatamab or teclistamab. Please break this down by hospital.
5. Please list how many people have been given a) elranatamab or b) teclistamab since approval by the National Institute of Health and Care Excellence in 2024 (TA1023 and TA1015). If possible, please break this down by hospital.
6. Do you have a service level agreement or referral system in place with any other trusts to deliver a) elranatamab or b) teclistamab to patients. If the answer this question is yes, which health boards / trusts do you have an agreement in place with.

Response:

1. **Yes**, Royal Cornwall Hospitals Trust is currently treating myeloma patients
2. Patients are treated at **Royal Cornwall Hospital, Treliske**.
3. During January to July 2025 **190** adult patients with a diagnosis code of C90.x were treated by the trust exclusive of those who are undergoing clinical trials or are deceased.
4. During January to June 2025 **4** myeloma patients were treated with elranatamab and **3** with teclistamab.
5. a) **4** patients have been given elranatamab
b) **3** patients have been given teclistamab
since approval by the National Institute of Health and Care Excellence in 2024 (TA1023 and TA1015).
6. **Royal Cornwall Hospitals Trust does not have a service level agreement or referral system in place with any other trusts to deliver a) elranatamab or b) teclistamab to patients.**
