

Freedom of Information Act 2000

The Royal Cornwall Hospitals NHS Trust Response to Information request

Date Request Received:

FOI Ref No 30067

Requested Information:

1. Who takes responsibility for the overall governance and management of the information risks associated with AI systems?
2. Who ensures appropriate risk management processes, controls and policies are in place?
3. Who will provide oversight and strategic direction to ensure the responsible use of AI technologies?
4. Who is responsible for establishing safety protocols and guidelines for AI implementation?

Response:

Please see link below as we believe that a similar request was disclosed in April 2025 and is available on our website.
